

Jubilee Bio

Playing together as Jubilee since 2004, band members met at a mutual friend's musical potluck suppers. The three Mississippi State University professors and registered dietitian formed the band around their shared hobby of music. Members are Richard Brown (bass & harmonica), Torsten Clay (fiddle & banjo), Becky Kelly (mountain dulcimer), and Wayne Kelly (guitar). Jubilee plays traditional acoustic music consisting of mostly Old-Time mountain music, Celtic music and an occasional Cajun tune. The band has played in the Starkville, MS area for festivals, parties, weddings, Noxubee Refuge events, and the Community Market; and for contradances in Tuscaloosa and Celtic holiday celebrations in the Golden Triangle and Tuscaloosa.
